

RISBOROUGH RANGERS JUNIOR FOOTBALL CLUB

Social Media Consent Form

This guidance explains why we need to ask you for your consent for any photographs of your child being used by Risborough Rangers Junior Football Club. After reading this, please complete the consent section in the registration form to let us know your wishes.

We live in an age in which digital technology has vastly increased the use of photography, and there has been publicity surrounding concern about the risk of a child or young person being identified by a photograph in the local press or via social media.

Risborough Rangers Junior Football Club takes the view that the risk of a child being identified by a stranger is small and that, providing reasonable steps are in place in terms of appropriateness of the photography and to protect the full name and contact details of children, photography will be permitted.

Risborough Rangers Junior Football Club is mindful of the fact for some families; there may be reasons why a child's identification is a matter of particular anxiety. If you have special circumstances, either now or at any time in the future that would affect or change your consent on this issue please contact either your child's Team Manager or the Clubs Welfare Officer, Michael Cattle, to discuss further.

You should discuss the matter of photographs with your child, and agree with them about the categories of consent. We invite you to use this form to explore their feelings about being photographed/filmed.

Risborough Rangers Junior Football Club will not use the personal details or full names (which means first name and surname) of any child or young person in a photographic image on film, website, or in club printed publications. If Risborough Rangers Junior Football Club uses photographs of individuals, the name of that child or young person will not appear in the accompanying text or photo caption, unless we have your agreement.

Only images of children or young people who are suitably dressed will be used, to reduce the risk of such images being used inappropriately.

By providing consent you will be giving permission to Risborough Rangers Junior Football Club to use photographs and film of your child involved in football activities. These images may be used in any of the following ways:

- Printed Risborough Rangers Junior Football Club publications.
- Risborough Rangers Junior Football Club Website, Facebook page or Twitter feed.
- Risborough Rangers Junior Football Club video for training or promotional purposes.
- Within the local or national media.
