**2021– 2022 Season Handbook**

## 1. INTRODUCTION

- We are a very successful and well established club in Princes Risborough with a reputation for being well organised, our players being well behaved on and off the field and playing an important role within the local community.
- Our aim is to encourage as many boys and girls of whatever ability to have fun and enjoy playing football in a supportive environment, where they can develop their skills and confidence.
- Every season, we are grateful to the managers, coaches and parent volunteers who so generously give their time to help us and who have made it into one of the most successful clubs in the area.
- We are always open to new ideas and improving the quality of what we do. If you would like to help us, please go to [www.risboroughrangersjfc.co.uk](http://www.risboroughrangersjfc.co.uk) or contact Andy Quigley, Chairman on 07775 667800.

## 2. BACKGROUND TO THE CLUB

- Our club was started in 1971 and since then thousands of boys and girls have enjoyed their time with us. Today, we have nearly 500 registered boys and girls from age 6 up to 16 and are one of the largest clubs in Bucks, which speaks volumes for our popularity and profile within the local community.
- Beyond the age of 16, many of our players progress on to play football at a more senior level joining Risborough Rangers FC, with whom we have increasingly close ties.
- From u11 upwards, we are able to register separate Rangers and Colts teams, in order to give as many players as possible the chance to play in regular matches.
- Since September 2009, the club is proud to have FA Charter Status, with a record number of coaches having gained either FA Level 1 or Level 2 coaching qualifications.
- We are affiliated to the Berks & Bucks FA ([www.berks-bucksfa.com](http://www.berks-bucksfa.com)) and fully support their efforts to encourage good sportsmanship and ensure that all our children have fun and enjoy themselves.
- Our club is run on a totally voluntary basis. Our main funding comes from the annual club registration fees and sponsorship from local individuals and businesses, to whom we are always grateful for their continued support year after year.
- We are a major local community organisation and take our community role very seriously, having close links with the local Town Council and all the local schools, many of whose facilities we use throughout the season.
- The Club is organised by age group with an appointed Manager, assisted by coaching staff and other parent volunteers taking responsibility for a particular age group. **Anyone wishing to become a Manager or coach must first be interviewed for suitability by the appropriate Vice Chairman.** For all contact details of the club officials and managers, go to [www.risboroughrangersjfc.co.uk](http://www.risboroughrangersjfc.co.uk)
- In January 2010, a dedicated Girls group was established to promote girls football in the area and give as many girls as possible the opportunity to improve their skills and play on a regular basis. We have two girls' teams – u15 & u18 who play regular matches against other teams in the Bucks area.
- Our teams play in three different league structures:  
  
U6 to U12 age groups compete in the South Bucks Mini Soccer Conference ([www.bucksfootball.co.uk](http://www.bucksfootball.co.uk))  
U13 to U16 compete in the Wycombe & South Bucks Minor Football League ([www.football-results.org](http://www.football-results.org))  
U15 and U18 girls compete in the Bucks Girls Football League ([www.bucksgirlsfootball.co.uk](http://www.bucksgirlsfootball.co.uk))
- Every May we hold our annual six a side tournament fundraiser, which is recognised as one of the most successful and best organised in the area. Every year over 200 teams compete, with all profits going towards ensuring that we continue to provide the highest possible standard of equipment, facilities and coaching for all our players.

### 3. PURPOSE OF THE CLUB

**Our Mission is to inspire all our youngsters to have fun, enjoy themselves and achieve their fullest potential through being involved with junior football.**

Our Guiding Principles include:

- **Promoting football as fun:** Whilst the club aims to achieve the highest standards of football skill, it will always strive to make football an interesting and enjoyable experience for players, whatever their age and abilities.
- **Providing encouragement and support:** The club will strive to provide an atmosphere of positive support and encouragement for all our players to enable them to achieve their fullest potential.
- **Promoting fair play, sportsmanship and discipline:** The Club insists on appropriate behaviour at all times and expects the principles of fair play and sportsmanship to be embraced by all players, coaching staff, parents and supporters alike.
- **Ensuring health and safety:** Within the Club, the health and safety of all players is of paramount importance and will not be compromised in any situation.

### 4. CLUB OFFICIALS AND MANAGERS

- Our Club is managed by a “**Management Committee**” which is made up of a Manager from each age group together with the offices of **Chairman, Three Vice Chairmen, Fixtures Secretary, League Secretary and Treasurer**, who are appointed at the **Annual General Meeting** in July each year.
- In addition, we have a **First Aid Officer** dedicated to ensuring we provide first aid to the highest possible standards, a **Club Welfare Officer**, who is responsible for all player health and safety, as required by the FA. Other volunteers are responsible for the Club’s registration system and purchasing activity.

### 5. FA CODE OF CONDUCT

**The Club seeks to operate in accordance with the FA Code of Conduct which states:**

- All those involved with the game at every level and whether as a Player, Match Official, Manager, Coach, Administrator or Spectator have a responsibility, above and beyond compliance with the law, to act according to the highest standards of integrity and to ensure that the reputation of the game is, and remains, high.

**More specifically:**

- **Equality:** Football is opposed to discrimination of any form and will promote measures to prevent it, in whatever form, from being expressed.
- **Participation:** Football recognises the sense of ownership felt by those who participate at all levels of the game. This includes those who play, those who coach or help in any way, and those who officiate, as well as administrators and supporters.
- **Trust and Respect:** Football will uphold a relationship of trust and respect between all involved in the game, whether they are individuals, clubs or other organisations.
- **Violence:** Football rejects the use of violence of any nature by anyone involved in the game.
- **Integrity and Fair Play:** Football is committed to the principle of playing to win but consistent with Fair Play. Coaches are, therefore, expected to pay particular care to the moral aspect of their conduct. Coaches have to be aware that almost all of their everyday decisions and choices of actions, as well as strategic targets, have ethical implications. It is natural that winning constitutes a basic concern for coaches. This code is not intended to conflict with that. However, the code calls for coaches to disassociate themselves from a win-at-all-costs attitude.

## 6. PLAYER PROTECTION AND SAFETY

**The Club and its representatives** will apply all due care and attention in relation to the safety of player's.

In particular it will:

- Bring to the attention of the Club official any act or condition of property which they consider may be harmful to the health and safety of any individual who is a member of the Club. ## 7. PLAYER CODE OF CONDUCT

All players at the Club should adhere to and promote the following code of conduct at all times:

- Playing for the team, and for the team to win, is the most fundamental part of the game. But not winning at any cost.....fair play and respect for all others in the game is fundamentally important.
- Fair play means that everyone connected with football shows understanding of and respect for the Laws of the game and supports the belief that the game should be played in an entertaining and positive way.
- Behaves on and off the field in a sporting manner towards all others involved, be they players, officials or spectators, irrespective of results.

### More specifically:

- **Obligations towards one's own team:** All players should make every effort consistent with Fair play and the laws of the game to help their own team win. They must resist any influence which might, or might be seen to, bring into question their commitment to the team winning
- **Respect for the laws of the game and competition rules:** All players should know and abide by the laws, rules and spirit of the game, and the competition rules. They should accept success and failure, victory and defeat, equally.

- **Being accepted into the Club does not give an automatic right for a player to enter into matches. Our objective is to give the greatest possible experience of match play to the widest range of players subject to the availability of our resources.**

The running of teams and selection of individual players is by no means an easy task and such decisions will rarely be accepted or considered as a basis for a complaint.**

## 9. COACHES CODE OF CONDUCT

All Coaches should adhere to and promote the following code of conduct at all times:

- Coaches are key to the establishment of ethics in football. Their concept of ethics and their attitude directly affects the behaviour of players under their supervision. Coaches are, therefore, expected to pay particular care to the moral aspect of their conduct.
- Coaches have to be aware that almost all of their everyday decisions and choices of actions, as well as strategic targets, have ethical implications.
- It is natural that winning constitutes a basic concern for coaches. This code is not intended to conflict with that. However, the code calls for coaches to disassociate themselves from a "win-at-all-costs" attitude. Health, safety, welfare and moral education of young people are a first priority, before the achievement or the reputation of the club, coach or parent.

Coaches must:

- Respect the rights, dignity and worth of each and every person and treat each equally within the context of the sport.
- Place the well-being and safety of each player above all other considerations, including the development of performance.
- Adhere to all guidelines laid down by governing bodies.
- Develop an appropriate working relationship with each player based on mutual trust and respect.
- Not exert undue influence to obtain personal benefit or reward.
- Encourage and guide players to accept responsibility for their own behaviour and performance.

**Please note:**

- **The Club seeks to ensure that each age group has access to at least one FA Level 1 qualified coach.**
- **The Management Committee will only consider complaints against a coach where this involves a clear and substantive breach of the above Code.**
- **The day to day decisions and tactics of a Coach will rarely be accepted as a basis for a justifiable complaint.**

## 10. PARENTS CODE OF CONDUCT

- Help, encourage and support at all times

- A formal complaint will be considered by the Club Management Committee where the case involves a **significant infringement** against the Club rules or Codes of Conduct contained in this handbook.
  - The day to day coaching and team selection decisions of managers and coaches will not be considered as grounds for a formal complaint. However, if you are concerned about any issue surrounding the running of a team, please discuss your concerns openly with the Team Manager.

- Where a complaint is received by a Management Committee member that an individual or team has breached the Code of Conduct or has acted in a way that might be seen as bringing The Club into disrepute or causing damage to its reputation this will be investigated by an individually convened disciplinary sub-group and a recommendation made to The Management Committee for approval.

- The Management Committee will make all such decisions and where necessary will do so by majority vote. The decisions of the Committee will be outlined in writing by the Chairman and may include the expulsion of individuals or teams from The Club. Codes of Conduct exist for players, supporters, managers and coaches and form part of the Club's handbook and constitution. Bringing the Club into disrepute could take many forms but could include:

- Acting in a way which damages the clubs relationship or threatens its membership of the FA or any Leagues or competitions in which it participates

- Causing serious offence or distress to members of the public or members of organisations whilst representing The Club

- The Management Committee will be responsible for deciding whether an individual or team should be investigated in regard to potential breaches of Club Codes or if The Club may have been brought into disrepute and will request that the Chairman appoints a disciplinary sub-group.

- The disciplinary sub-group will consist of at least three individuals drawn from the officers of The Club at the request of the Chairman. The Group should seek evidence, both written and in person of the validity of any complaint or suggestion of bringing The Club into disrepute, including from the individual/s who are the subject of the complaint.

- Should any complaint be upheld, the disciplinary sub-group should make a recommendation of appropriate action to The Management Committee. This action should be proportionate and could consist of the following actions, although this list is not intended to be exhaustive or exclusive:

- An oral warning as to the individuals future conduct
- A written warning as to the individuals conduct
- The requirement for an apology either in person or in writing
- A temporary suspension from participating in club events, activities or matches
- A permanent exclusion from certain club activities or events
- Expulsion from the club

The disciplinary sub group should take into account the perceived seriousness of the breach of club rules or of level of reputational damage and also the previous conduct of any individual or team in deciding what level of sanction to recommend to The Management Committee. Decisions should be kept on file by the Chairman to ensure that cases are dealt with proportionately and that similar sanctions are applied to similar cases.

***There is no right of appeal.***

- The Club's Management Committee will have the power to warn as to future conduct, suspend or remove from membership, any person found to have broken the club's polices or codes of Conduct. The Club will fully assist in any investigation or disciplinary investigation undertaken by its parent Associations.
- The Team Manager will be responsible for player discipline during matches and coaching sessions. In older age groups (Under 11 and above) the match referee may also consider what report to submit to the county Association or appropriate body if this has resulted in an infringement of the rules of The FA. The Club will assist in any subsequent investigation and will support the appropriate disciplinary action.
- In the event of unacceptable behaviour by a player **or supporter**, the Team Manager will issue a warning and where appropriate notify the player's parent or guardian. In the event of a reoccurrence of the problem this will be referred to the CMC, who will investigate the issue as though it were a formal complaint. In extreme circumstances this may involve expulsion from the Club. No repayment of subscription fees will be considered under such circumstances. **It should be noted that the behaviour of a parent or legal guardian may affect the right to club membership of their children.**
- Complaints against a Team Manager or Coach will be dealt with by the CMC under the normal complaint procedure. In cases where a complaint is upheld the appropriate disciplinary action will be considered at the next available CMC meeting. It will be normal practice to issue a warning in the first instance.
- The Club fully supports the FA Child Protection Policy and will act in accordance with the policy statement.

## **APPENDIX 1 - GOAL POST SAFETY**

Following a number of serious injuries and fatalities the FA have issued specific guidelines.

It is the responsibility of the Team Manager and coaches to ensure that this code is adhered to.

- For safety reasons goal posts of any size (including those which are portable and not installed permanently at a pitch or practice field) must always be anchored securely to the ground.
- Portable goalposts must be either pinned or weighted to prevent them toppling forward.
- It is essential that under no circumstances should children or adults be allowed to climb, swing on or play with the structures of the goalposts.
- Metal hooks on goal posts are not recommended - goalposts of this nature are not recommended to be used.
- Homemade goalposts have been the cause of a number of deaths and injuries. Such goalposts should, under no circumstances, be used.
- Regular Inspections of goalposts should be carried out to check that they are kept properly maintained.
- If the posts fail to remain secure during this procedure, it is necessary to re-stabilise the equipment and carry out the same procedure again.

**All Managers, Coaches and Match Officials belonging to the Club will apply this code for coaching sessions and Matches**

## APPENDIX 2 - MINI SOCCER (U12 AND BELOW)

**The Club is a member of the South Bucks Mini Soccer Conference and fully supports the rules adopted by the Conference which are based on the FA rules and guidelines for mini soccer.**

- The FA deems Mini-Soccer the most appropriate and fun introduction to football. It allows greater involvement in the game, with more touches, dribbles and passes.
- Mini-Soccer is the appropriate introduction to football. All available research and observation shows that children will have more fun and learn more playing- a game with smaller teams and modified rules. Mini Soccer is, therefore, a game children can actually play rather than struggling to understand a game created for adults.

**If children are to enjoy and take part in soccer they need to:**

- **Feel success**
- **Take an active part in the game**
- **Learn to play as a team**
- **Understand the laws**
- **Develop soccer skills**
- **Be able to take part whatever their ability**
- **Develop fitness**

**Team managers and coaches should be reminded that:**

- i. The emphasis is on the enjoyment of competing fairly and having fun;
- ii. They are responsible for the behaviour of their players and spectators during games;
- iii. Winning at all costs is not acceptable and teams must play within the rules of the game;
- iv. No intimidation of referees or officials will be permitted.

**What can children expect from adults?**

- Remember that children are often easily led, anxious to please and prone to over-enthusiasm, and so plenty of praise and positive reinforcement is needed.
- Children find it hard to understand negative instructions and easier to understand positive reinforcement and this can frequently mean playing down the result and playing up the performance. This reduces the child's anxiety and decreases their worry about failing.
- Make sure the players play by the rules -the majority of children at these ages will not knowingly infringe the Laws of the Game.
- The laws of the game should be a guide for the Referee in Mini-Soccer with the spirit of the laws being more important than the letters of the law.

## APPENDIX 3 - THE FA CHILD PROTECTION POLICY

- Every child and young person who plays football should be able to participate in an enjoyable and safe environment and be protected from abuse. This is the responsibility of every adult involved in football. We recognise, however, that child abuse is also a very emotive and difficult subject. It is important to understand the feelings involved but not to allow them to interfere with our judgement about any action to be taken.
- The FA recognises its responsibility to safeguard the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is determined to meet its obligation to ensure that those clubs and organisations providing football opportunities for children and young people do so, to the highest possible standard of care.
- Clear practices and procedures, in addition to a detailed training programme already under way, will ensure that everyone knows exactly what is expected of them in relation to the protection of children and young people within our sport. It is essential that those children and young people attracted to and participating in football are able to do so in a quality safe and enjoyable environment.
- In striving to attain this, the FA has the following objectives:
  - ✓ A requirement that The FA Premier League and The Football League include in their rules a policy statement concerning child protection.
  - ✓ A requirement that all bodies affiliated to The Football Association as Charter Standard Organisations, affiliated through the County Associations, which provide the opportunity to work with children and young people up to the age of eighteen, include in their rules a policy statement concerning child protection.
  - ✓ To provide ongoing development and training opportunities to all organisations as mentioned above.
- The aims of The FA Child Protection Policy are:
  - ✓ To develop a positive and pro-active position in order to best protect all children and young people who play football, enabling them to participate in an enjoyable and safe environment.
  - ✓ To deliver quality assured child protection training and build a network of tutors to facilitate this delivery, in conjunction with, and supported by, the NSPCC.
  - ✓ To demonstrate best practice in the area of child protection.
- The key principles underpinning this policy are that:
  - ✓ The child's welfare is, and must always be, the paramount consideration.
  - ✓ All children and young people have a right to be protected from abuse regardless of their age, gender disability, culture, language, racial origin, religious beliefs or sexual identity.
  - ✓ All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately.
- ✓ Working in partnership with children and young people and their parents/carers is essential. Social Services Departments have a statutory responsibility to ensure the welfare of children and young people.

## APPENDIX 4 - ANTI-DISCRIMINATION AND EQUAL OPPORTUNITIES

Football belongs to, and should be enjoyed by, everyone equally. The commitment is to eliminate discrimination whether by reason of gender, sexual orientation, race, nationality, ethnic origin, colour, religion or ability and to encourage equal opportunity. The following policies are at the heart of our club:

1. The Club is responsible for setting standards and values to apply throughout the club at every level. Football belongs to and should be enjoyed by everyone, equally. Our commitment is to confront and eliminate discrimination whether by reason of sex, sexual orientation, race, nationality, ethnic origin, colour, religion or disability.
2. In all our activities we will not discriminate or in any way treat anyone less favourably, on grounds of sex, sexual orientation, race, nationality, ethnic origin, colour, religion or disability.
3. We will not tolerate sexual or racially based harassment or other discriminatory behaviour, whether physical or verbal and will work to ensure that such behaviour is met with appropriate action in whatever context it occurs.
4. We are committed to the development of the programme of ongoing training and awareness raising events and activities in order to promote the eradication of discrimination within its own organisation and in the wider context, within football as a whole.
5. We are committed to a policy of equal treatment of all members and require all members of whatever level or authority, to abide and adhere to this general principle and the requirements of the Codes of Practice issued by the Equal Opportunities Commission and Commission for Racial Equality. All members are expected to abide by the requirements of the Race Relations Act 1976, Sex Discrimination Act 1986 and Disability Discrimination Act 1995.

Specifically discrimination is prohibited in:

6. Treating any individual on grounds of gender, colour, marital status, race, nationality or ethnic or national origin, religion, sexual orientation or disability less favourably than others.
7. Expecting an individual solely on the grounds stated above to comply with requirement(s) for any reason whatsoever related to their membership, which are different to the requirements for others.
8. Imposing on individual, requirements which are in effect more onerous on that individual than they are on others. Any other act or omission of an act, which has as its effect the disadvantaging of a member against another, or others, purely on the above grounds. Thus, in all the club's recruitment, selection, promotion and training processes, as well as disciplinary and other matters (in other words all instances where those in control of members are required to make judgments between them) it is essential that merit, experience, skills and temperament are considered as objectively as possible.

We commit ourselves to the immediate investigation of any claims of discrimination on the above grounds and where such is found to be the case, a requirement that the practice cease forthwith, restitution of damage or loss (if necessary) and to the investigation of any member accused of discrimination. Any member found guilty of discrimination will be instructed to desist forthwith. Since discrimination in its many forms is against the Football Club's policy, any members offending will be dealt with under the disciplinary procedure.

We also commit ourselves to the disabled person whenever possible and will treat such members, in aspects of their recruitment and membership, in exactly the same manner as other members. The difficulties of their disablement permitting, assistance will be given wherever possible to ensure that disabled members are helped in gaining access. Appropriate training will be made to such members who request it.
